Personal Information

Dr. Sandra Haas graduated from the prestigious liberal arts college, Rollins College, located in Central Florida, and then graduated with honors from Life University in 2002. She is a Distinguished Fellow of CBP® technique, which makes her one of only four doctors in the state with this honored distinction. Dr. Sandra Haas speaks Spanish fluently. She has written articles for the American Journal of Clinical Chiropractic. She is at the top of her profession and has the knowledge to benefit even individuals suffering from the most severe spinal conditions.
